MMM TL1000C	Lamp, Polarizing, Charcoal	EA	\$219.98
MMM TL1000S	Lamp, Polarizing, Silver	EA	\$219.98

Task light. Element. Unique multi-chip high intensity LED light emitting diode. Does not cause shadowing as do LED lights using rows or clusters of diodes. Pure white 3500 K light. Creates as much light as a 70 watt incandescent bulb. Consumes less than 7 watts of power to save energy. 60,000 hour/30 year lifespan. 28" reach. Counterbalance design, without the need for an adjustment knob. Made primarily of recycled aluminum - up to 81% recycled materials. Contributes to LEED credits. Energy Star credential in process. Available with many different mounting options.
