MONITOR FILTERS W/PRIVACY

Privacy filter makes on-screen data visible only to person directly in front of screen, using blackout versus blur technology. Medium tint glass for enhanced contrast. Glare reduction up to 95% (meets American Optometric Association specifications). Blocks 99.9% of ELF/VLF E-field radiation. Eliminates static charges and dust build up when properly grounded. Can reduce eyestrain and headaches related to monitor use. Flat frame style fits both LCD and CRT monitors. Two sets of hanger arms included to meet most monitor styles.

<u>MFG / ITEM #</u>	<u>DESCRIPTION</u>	<u>UNIT</u>	<u>LIST PRICE</u>
